Dear Chris,

Thank you so much for covering our Volunteer Outreach Day. As you yourself experienced, door to door canvassing can be a tedious and often scary job. The workers feel uplifted to receive attention for all their work.

We are looking forward to watching the show. Please let me know when it will be aired. Thank you again for your interest. If I can be of any further help, please do not hesitate to call.

Sincerely,

Maryann Marian

Sir/Madame

We are new viewers of channel 65 and think you have a wonderful thing going on these bargains you sell on the air. People are so warm!

Unfortunately the fact that you are not listed in the program forms may cause other people to miss some good buys. Maybe you ought to get on the media listings with information on coming sale items. It might increase the awareness of prospective buyers.

As far as I and my family have noted, you don't seem to have any other programs except the one "In Your Interest". This one alone shows that you can have much more to offer your buying public. We look for them all the time! Strange that the interviewer, Ms Hill, reminds us of the channel 12 Patrick Stoner interviews. It's nice to get low-keyed informative conversations where egos don't interfere with the matters at hand. Maybe a little more time for in depth coverage would help, and letting Ms. Hill's warmth show through more smiles.

Well, we thank you for your attention.

Most sincerely

Dear Chris,

All of us at the Cumberland County Department of Planning and Development wish to express our appreciation to Channel 65- and you - for the fine job done on the "In Your Interest" program focusing on the Wild and Scenic Rivers process.

The introduction you put together to go with the interviews really gave a clear summary of what's been happening on the Maurice River and its tributaries.

Your video views of the rivers were beautiful and helped to emphasize the importance of these waterways.

And thanks again for copying the program for us.

The effort you put forth will go a long way to helping us

Dear Ms. Hill:

On behalf of Dignity Housing and its tenant body, we extend to you and your organization our gratitude for your recent public service production. The series was well received here in Philadelphia and certainly helped to educate the community at large on homeless issues, as well as the progress Dignity has made in serving as a model for change. We would greatly appreciate a copy of the four segments so that we can continue to spread the word locally.

Please feel free to contact us if you have any future plans for programming, especially if you would like to do a feature presentation.

On behalf of Best Nest I would like to thank you and the channel 65 staff for an opportunity to inform the public of the need for foster parents.
